Dear **Anilbhai**,

Thank you for your time, talent and expertise you have given to the Gujarat Public Affairs Council of Canada through your active participation in the Advisory Council.

You have made a difference through your dedication and continued support of our organization. Your ideas, inputs and enthusiasm were most helpful and have assisted us in making valuable improvements to our organization. At our AGM on 24<sup>th</sup> June, new board was formed; the New Advisory Council will also be formed and announced soon.

We request you for your continued support and time in 2018-2019 for the betterment of GPAC and the community at large. We take great pride in our mission and our accomplishments, and with your help, we can become the umbrella organization for our Gujarati/Indian community.

Respectfully yours,

For, GPAC
